

## Calling all our weary CAPS road warriors...

If you can relate to pulling your suitcase, balancing your laptop, overcoat, a coffee and handling cell calls while enroute between planes; you are already *eminently* qualified to be a **CAPS Luggage Olympian**.

Your creative CAPS Sponsorship Committee has designed this fun event to recognize the best among us in this little known, but widely competitive area.

You'll have *several* chances to enter the time trials during the convention. The top two qualifiers will be invited to compete against each other for the grand prize on Saturday; for the title of CAPS Luggage Olympics, Gold and Silver medal winners.

**Entry fee is \$5** for each time trial and automatically enters you in the 50/50 draw for 50% of the funds generated.

**CAPS 1<sup>st</sup> Annual Luggage Olympics launched**  
CAPS 2005 Convention, being held December 1 - 3, 2005  
at the Hilton Lac Leamy, Ottawa-Gatineau

**We are open to having CAPS 'inter-chapter' challenges too! So recruit a team...☺**

### Here is how it will work!

- A fun, easy, slightly challenging, obstacle course will be set up on-site for the qualifying time trials Thursday, Friday and Saturday.
- Contestants pay a \$5 entry fee for a *single* time trial run. You can compete *as often* as you want to pay. Times will be posted daily.
- Top two qualifying competitors will face-off on Saturday in the CAPS medal finals.
- **1<sup>st</sup> place winner** (Gold Medal) will take home (Luggage\* and a Leather Jacket\*)
- **2<sup>nd</sup> place winner** (Silver Medal) will take home (Luggage\*) \*Courtesy Silver Star Promotions

### 50/50 draw – a 2<sup>nd</sup> chance to win!

- Each contestant pays a \$5 entry fee for a *single* time trial. The money collected from all contestants will be put into a 50/50 draw.
- We draw for a 50/50 winner on Saturday, at the end of the medal run. One lucky person wins 50% of the pot. A 2<sup>nd</sup> chance to win! ☺
- **Enter often and compete!** This gives you additional chances of taking home the 50/50 money; and of course winning the prizes, medals and the bragging rights too.
- **If you can walk, run or crawl, you can compete... and you help the conference!**
