MY PRIMARY GOALS, OBJECTIVES AND REASONS FOR PARTICIPATING IN PRO-TRACK SPEAKER ACADEMY (attachments are OK)

CREATING A SUCCESSFUL PRO-TRACK SPEAKER ACADEMY EXPERIENCE:

Involvement will be an integral part of your success in Pro-Track Speaker Academy. Participants are expected to attend and actively participate in all sessions, as well as complete the prep work and any assignments required between boot-camps. If you are unable to make it to a session, you will benefit by getting and completing the homework assignments which will be directly related to your speaking business. (Note: Pro-Track sessions will be recorded and/or videotaped, and you will be able to review any missed sessions. This may require a nominal fee for shipping.) Participants are highly encouraged to attend CAPS Toronto Chapter meetings (visitor fee required) and consider volunteering as a way of making your Pro-Track Speaker Academy experience successful and fully rewarding.

PLEASE CHECK THE BOXES BELOW:

- I understand the participation, attendance and assignment expectations noted above
- I will attend each session and be ready to discuss what I've learned and implemented
- I agree that should unexpected situations arise where I cannot make a session I will make my own arrangements with fellow participants or Program Chair to review the missed material and make up any missed work
